Updated technical information can be downloaded from our website:

tr.nl/techniek

The Krijn Boon Studio is meant as a stage for rehearsals and small performances. As there are only basic technical facilities available to the users of the Studio it should not be considered a fully equipped theatre. Maximum number of available seats: 80.

The Krijn Boon Studio is situated on the fourth floor of Theater Rotterdam location Schouwburg.

Accessibility:

In the street alongside the theatre (Mauritsstraat) parking space is reserved for the set truck(s).

Small sets: via interior elevator, maximum size 1 x 2 meters.

Large sets: via goods elevator, this is accessible via the truck elevator near the Main auditorium. The goods elevator cannot be used during performances and loading and unloading activities in the Main Auditorium..

Employees of the company coming by car or bus can use the parking garage under the Schouwburgplein (Height MAX. 2,00 m). The parking garage is open 24 hours a day. Discount on the parking rate is possible when booking via internet: tr.nl/parkeren
